Product Data Sheet

PatioPro Outdoor Tile & Grout Sealer

Description

Nicobond PatioPro Outdoor Tile & Grout Sealer is an advanced formulation protective sealer designed to protect **PORCELAIN** wall & floor tiles against stains and water penetration.

This long lasting one coat sealer is easy to apply & leaves no residues. The sealer is designed to be nearly invisible & does not alter the appearance of the tiles after application.

Can also be used on **NATURAL STONE TILES**.

Features

- One coat formula
- Protects against spills & stains
- Helps prevent growth of lichens & algae
- Does not alter the appearance of the sealed tile

Instructions for use

IMPORTANT: Ensure tile surfaces are clean, dry and free from contamination. Do not use in temperatures below 5°C or in damp conditions. Do not dilute.

1. Apply a continuous coat of Sealer using a roller, brush, sponge or cloth.
2. Wipe away all excess and residues.
3. Allow 4 hours before walking on floor.
4. Once dry, buff vigorously.

The Sealer shall be Nicobond PatioPro Outdoor Tile & Grout Sealer as manufactured by N&C Building Products Limited, 41-51 Freshwater Road, Chadwell Heath, Romford, Essex, RM8 1SP, England. Tel: 020 8586 4600 and shall be applied strictly in accordance with the Manufacturer's current data sheets and instructions.
